

# Look for and Make Use of Structure

*I Will...*

- find structure and patterns in numbers.
- use patterns to makes rules about math.
- use my rules to help solve problems.

Wow! Look at this structure!

$$1+3=4$$

$$5+4=9$$

$$21+6=27$$

$$3+1=4$$

$$4+5=9$$

$$6+21=27$$
