

# Name on Your Paper Song

(If You're Happy and You Know It)

The first thing on your paper  
is your name...  
*and your number.*

The first thing on your paper  
is your name...  
*and your number.*

The teacher needs to know,  
Who did this work and *so,*

The first thing on your paper  
is your name...  
*and your number./*
